

Dear Parents:

The school district does not provide any type of health or accident insurance for injuries incurred by your child at school.

As a service to students and their families, our school is making available a student accident insurance plan for your child at a very nominal cost. The district offers this program because of trends in rising family health and dental insurance costs, increased deductibles, co-payments, lack of health or dental insurance coverage.

REASONS TO PURCHASE THIS COVERAGE:

1. Deductible and co-pays in your health plan. Many health plans have increased the amount of out-of-pocket expenses.
2. No insurance

This plan will provide benefits for medical expenses incurred because of an accident. If you have other insurance, benefits can be applied to your deductible or co-pays.

If you have no other insurance this will become your primary accident plan.

PURCHASE COVERAGE ON-LINE (with Visa or MasterCard) at www.1stagency.com and follow directions by choosing STATE and SCHOOL DISTRICT.
